BOOKKEEPER

Greetings St. Paul's and Joy!

The summer is here and we are approaching four months since the Coronavirus (COVID-19) pandemic occurred in the United States. Pennsylvania transitioned to the green phase on June 26, 2020, less than a month after going to the yellow phase. Unfortunately, the number of positive COVID-19 cases and deaths continue to rise in our community and country.

In order to stop the increase of positive cases we must be committed to following the Center for Disease Control's (CDC) recommendations for safety, such as staying at home when sick, washing our hands for 20 seconds, wearing a face mask, and practicing social distancing, to name a few.

The Relaunch Task Force is continuously reviewing health data, surveying the needs of our church, community, and researching best practices.

While the physical doors of St. Paul's remain closed, the work of the church continues; Sunday Worship, Bible Study, Sunday school, Youth Church, etc.

We want to thank those of you who completed the Relaunch Survey. Below are the results.

If you have questions and/or comments, please email us at Relaunch@stpaulsbaptist.org

Be safe and be well,

Dr. Lisa

Chair Relaunch Task Force
